**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

***Notice of Non-Responsive Amendment***

Applicant's amendment in response to the Office Action dated 03/03/2009 filed on 09/03/2009, amending claims, and adding new independent claim 20 which is drawn to a method comprising preparing a cosmetic or personal care article is considered non-responsive to the previous Office Action.

Newly submitted claims 2-3, 5-8, 11-13, and 20 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The invention drawn to a method comprising preparing a cosmetic or personal care article is distinct from a cosmetic or a personal care article.

According to MPEP 819, the general policy of the Office is not to permit the applicant to shift to claiming another invention after an office action is given.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 2-3, 5-8, 11-13, and 20 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Therefore, the amendment received on 09/03/2009 is considered non-responsive to the previous Office Action dated 03/03/2009.

Since the above-mentioned amendment appears to be a *bone fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the
